COMMONLY USED Million Doll

(Group Guidelines)

Mill Doll Board is where the MillionDollBoard DM editor will occasionally explain the terminology that appears in Million Doll. These are extremely subjective definitions, as at times they will differ from the real definition. We recommend that taking them too seriously.

[1:1] ♦ Million Doll Wota Terminology ♦

1: Regulars [Itsumen]

"Itsumen" is an abbreviation of "itsumo no menbaa" (the usual members).

There are also wotas called "omaitsu", which is an abbreviation of "omae itsumo iru na" (you're always here). This refers to those living a true wota life, with a 99% chance of being at lives - even if it's for an underground idol who performs 100 times a year.

2: Joint Live Festival

Oddly enough, it has become rarer for idols to attend rock festivals across the country.

*Festival: A large scale music event, typically outdoors, taking place over several days and hosting dozens of artists.

The year 2013 was called "the first year of idol festivals", because the rising idol popularity led to the establishment of many idol-only festivals. The one that took place at Odaiba during the summer had a record-breaking 111 idol performers, and 21,500 attendees over the course of two days!

Those who are unfamiliar with idols would be surprised that so many exist in Japan!
